

Glacé™

Glacé Glass Shelves

No, this is not mother's window glass. This thick tempered glass raises simple functionality to simple eloquence in a solution that is perfect in any décor or setting.

The Glacé glass shelves are 3/8" thick and are available in clear or opaque. Choose from 6 sizes. Use Clear (cl) or Opaque (op) at the end of the item number to designate your color selection. Use with Glacé or Concepts brackets.

Size: 8x24
Item #: GL824

Item #: GL836

Size: 8x48
Item #: GL848

Size: 12x24
Item #: GL1224

Size: 12x36
Item #: GL1236

Size: 12x48
Item #: GL1248

Glacé Brackets

This silent but strong linear bracket will provide maximum holding power without detracting from the simplicity and eloquence of the shelf. Use with Glacé Glass shelving. Choose from silver (si), as shown in photos, or any of the 7 colors below. Add the color abbreviation to the end of the item number to designate your color selection. Use with Glacé shelves or the Concepts Bliss, Luna, Optique, Rivera or Traces shelves.
