

Classique™

Classique Wood Shelves

Straight-forward Euro-design lends simplicity and functionality in any room, especially more contemporary settings. It's wide offering of widths and lengths give the Classique line of shelving great versatility.

The Classique wood shelves are 3/4" thick and are available in beech (be), white (wh), black (bk) and silver (si). Choose from 6 sizes. Add the color abbreviation to the end of the item number to designate your color selection. Use with the Classique brackets.
